## ABOUT ME

I am Vikash Kumar, a Node.js Full Stack Developer with a strong foundation in C++ with Data Structures & Algorithms and web technologies like HTML, CSS, JavaScript, React.js, Node.js, Express.js, and MongoDB. I am passionate about solving problems, building scalable applications, and learning new technologies. As a fresher, I recently built a Library management app using Node.js and MongoDB, and I'm eager to contribute my skills to real- world projects while growing as a software professional
